Registration Form Tournament Information:

This year's Tournament will be held on the weekend prior to the Texas Central Zone Dove Opening day at the American Shooting Centers. The Tournament is a morning event with check-in beginning at 7:00 a.m. and family members are welcome. NON-GSH members are welcome to participate in this event. We are asking everyone to pre-register as there will be no on-site registration for this event. Team registrations are \$750 for 5 shooters and \$150 for individuals. To speed up check-in, we will register teams by assigned captain who will then distribute shooting cards and tickets from the team packet to the members of the group. Individuals can register as such.

The Tournament is a 75-bird event, designed to simulate actual field conditions. Good-quality shells (12 or 20 gauge) will be provided. You must bring your own eye and ear protection devices and attend the safety briefing at 7:45 am to be able to shoot in the Tournament. Shooting will begin at 8:00. Prizes will be awarded for shooting prowess in various levels of expertise. Door prizes, made possible through corporate and private sponsorship, will be awarded after the conclusion of shooting and lunch. Breakfast and refreshments will be available throughout the day.

Please note: In prior years, we have run out of space so please sign up early for this event!

Sponsors will get priority in registration as they are the backbone of this event. Please ask your company to help sponsor the GSH and this Annual Event. The purpose of the tournament is a social networking event and a fundraiser for the Geophysical Society of Houston.
